Dear Friends of the UHS Wrestling Boosters!

We are excited to begin our third year supporting the Union High School Wrestlers. Last year we finished the season as League Champions, District Champions, had several Regional champions, and five state placers. This year, we begin our season with over 80 wrestlers eager to be part of the program's growing successes!

In past years the program received funding from the District to cover some team expenses and the team worked hard throughout the year to raise the rest of the funds to support the many costs of the program. This year, we are receiving very limited funding from the District. This leaves many important expenditures unpaid which the team continues to work hard to fundraise and pay. The teams most important, and significant cost, is for tournaments. In order for the wrestlers to receive the necessary experience to develop and compete at the highest levels, our program offers all wrestlers opportunities outside of the five school "dual" matches to participate in tournaments. We travel as a team and participate in these tournaments as a team. In school duals, only the top wrestler in each division can wrestle, whereas all wrestlers can participate at these tournaments. Each tournament ranges in entry fees of \$150 to \$300. Our club has raised approximately 75% of this season's fees and expenses and is now reaching out to our supporters and fans for donations to the program.

Thank you friends, family, businesses and organizations for your support! We look forward to another exciting, eventful and successful season of UHS Wrestling!

PROGRAM AND PHILOSOPHY

The goal of my program is:

- **To** develop student athletes who understand that competition is a privilege that must be earned by displaying outstanding character, committed study habits, and extraordinary effort.
- **To** enrich the student-athletes lives through wrestling, and its requirement of dedication, courage, and commitment. Wrestling provides this opportunity more than any other sport.

ABOUT OUR HEAD COACH

Head Coach John Godinho – Coached wrestling for the past 18 years. Member of two state championship teams. Two time state champion in high school and all American at Pacific Lutheran University.
